Subject: Keep local harbor jobs

I want to make sure the river cleanup is good for the environment and jobs.

Portland is fortunate to have a vibrant working waterfront on the Willamette River. We need those jobs to continue to exist and even grow to supply good, living-wage work. Please make sure that the final cleanup plan does nothing to threaten the jobs that we so desperately need.

Thank you for your service to our country. I know you'll do the right thing to protect our health and our jobs.

Sincerely,

(b) (6)
